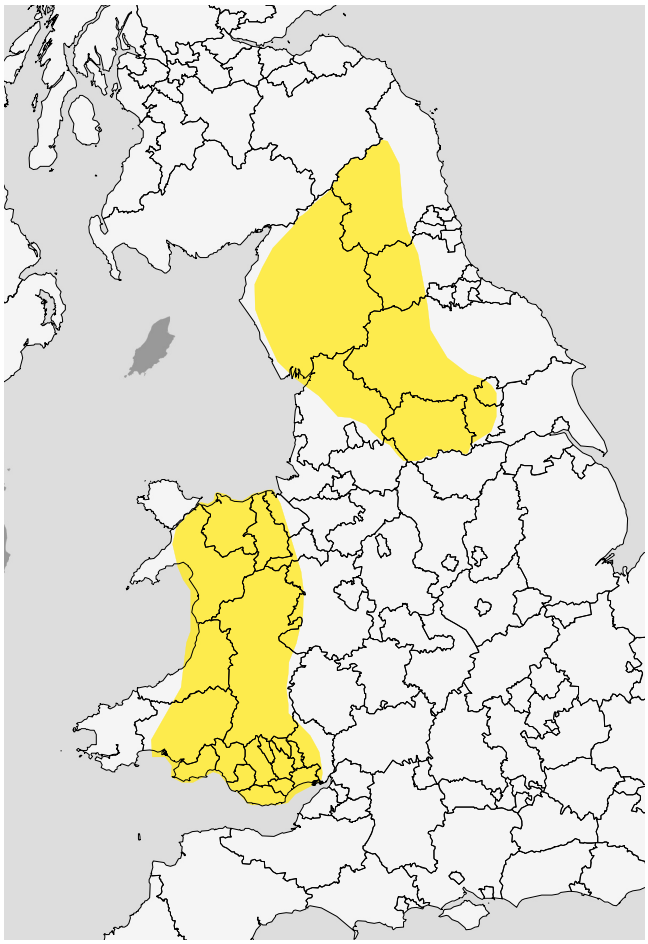
Yellow warning
Rain

Between
00:00 Sun 9 Feb 2020 and
18:00 Sun 9 Feb 2020



Heavy rain is likely to bring some disruption to travel during Sunday with some flooding in places.

What to expect

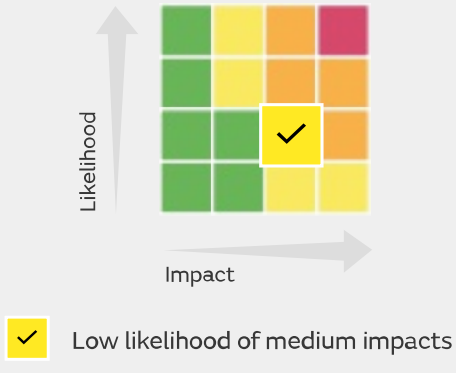
- Homes and businesses could be flooded, causing damage to some buildings
- Fast flowing or deep floodwater is possible, causing a danger to life
- Delays or cancellations to train and bus services are possible
- Spray and flooding could lead to difficult driving conditions and some road closures
- Possible power cuts and loss of other services to some homes and businesses
- Some communities may be cut off by flooded roads

Further details

Heavy rain will affect parts of northern England and Wales during Sunday. The heaviest rain will be over high ground where 50-70 mm is expected widely with perhaps up to 100 mm in a few locations.

Reason for update

To increase the likelihood of impacts and to remove South Yorkshire from the warning area.



Low likelihood of medium impacts
